

# Mineral Area College-Southeast Missouri State University Dispute Resolution

Coordinating Board for Higher Education  
Spring 2022

## BINDER TABLE OF CONTENTS

Because discussion of this matter will likely span multiple meetings and is document-intensive, DHEWD staff will provide CBHE members with a binder that includes all relevant documents and reference materials. That binder will be updated as additional materials are provided by institutions or other parties. DHEWD staff have also created a landing page that centralizes all materials related to this matter. The updated binder table of contents appears on the next page.

### Table of Contents

- I. Board items
  - A. April 19
    - 1. Agenda
